

SWORDS

We're hosting small-group reenactment combat training sessions with full-weight steel weapons every Sunday during term time. Sign up for a slot via our Facebook page or send us an email!

CRAFTS

Learn Dark Age crafts with our Zoom tutorial sessions or small in-person meetings. We'll tell you how to get hold of the supplies, or sign up online and we'll pidge you what you need.

FUN

Throughout the term we've got lots of other activities planned - talks on aspects of Viking and Anglo-Saxon life, historically themed tabletop gaming and more! We'll adapt our events as the guidance for social gatherings changes, so check our social media to stay up to date.
